DEMONSTRATION DAY EVENTS

FRIDAY, APRIL 29, 2016

SENIOR DESIGN DEMONSTRATION DAY 1-4PM GAMPEL PAVILION

Senior Design projects are the culminating effort of an engineering student's education at UConn. Most projects reflect real-world challenges posed by businesses throughout the Northeast. Demonstration Day involves more than 130 projects on display, from across the School of Engineering. Come to Storrs and meet with engineering students, industry sponsors, faculty and friends. For more information visit seniordesign.engr.uconn.edu. Parking is available in South Parking Garage behind the UConn Coop.

ALUMNI REUNION AND ENGINEERING RECEPTION 4:30-7PM ROME BALLROOM, SOUTH CAMPUS

All UConn Engineering alumni and their guests are invited to this special gathering celebrating our 100th anniversary year, as well as current and emeriti faculty members, undergraduate seniors and graduate students, your advisory board members, Senior Design sponsors and friends of the school. This event in Rome Ball room begins at 4:30pm, corresponding with the close of Senior Design Day. We've planned it as a celebratory closure to the academic year with and a wonderful way to mix & mingle while enjoying complimentary food and drink. Parking is available in South Parking Garage behind the UConn Coop. Please RSVP bit.ly/100thReunion for this event.
