Michael Cantor Appointed to UConn School of Engineering Advisory Board

Hartford, Conn.-- The University of Connecticut School of Engineering (SoE) announced that it has appointed Michael A. Cantor, Co-Managing Partner of Cantor Colburn LLP, to serve on its newly formed Advisory Board through 2010.

The Engineering Advisory Board's primary activities are to assist in the development activities for the Capital Campaign; introduce innovation and entrepreneurship in education and research; lead institutional efforts on innovation and entrepreneurship; and foster meaningful collaboration with industry partners.

"Well educated engineering students working in Connecticut are important to the success of future innovation and entrepreneurship efforts in the state," said Mr. Cantor. "I know firsthand that UConn's School of Engineering does a first class job developing engineers and future leaders, and I am proud to be a member of its Advisory Board."

Mr. Cantor is an active supporter of the University of Connecticut. He is an alumnus of the SoE, where he earned a B.S. in Chemical Engineering and Materials Engineering. He is also an alumnus of the School of Law, where he has been teaching patent law as an adjunct professor since 1995. In 2003, the university honored Mr. Cantor as a Founding Fellow of the Academy of Distinguished Engineers and Hall of Fame for outstanding contributions to engineering technology, innovation, education and outreach.

The complete list of Advisory Board members can be found on the SoE's web site, <http://www.engr.uconn.edu/advisoryboard/>.
