Cantor Colburn LLP a Top Ten Fundraising Team for Relay for Life West Hartford

Hartford, Conn.- Team Cantor Colburn participated in the Relay for Life West Hartford on June 18 and 19, 2010 at Northwest Catholic High School in West Hartford. The annual event raises funds for the American Cancer Society in its fight against cancer. Participants in the Relay raise money for the cause by obtaining individual sponsors who contribute based on the number of miles covered by the participant. Team Cantor Colburn raised \$3,391, putting it in the top ten teams for fundraising. The event netted \$95,000 for the American Cancer Society, a 35% increase over last year's total.

Team Cantor Colburn was the only law firm to field a team. Led by captain Valerie Clay-Bey, an administrator at the firm, the team dedicated its efforts especially to the memory of Daniel E. Brusco, an attorney with the firm who died from cancer earlier this year. Fourteen Cantor Colburn employees, their friends, and families participated. First year participants, Team Cantor Colburn enjoyed widespread support in donations from friends and colleagues.

About Relay For Life

Relay began in 1985 when Dr. Gordy Klatt, a colorectal surgeon in Tacoma, Washington, ran and walked around a track for 24 hours to raise money for the American Cancer Society. Since then, Relay has grown into the world's largest movement to end cancer. Each year, more than 3.5 million people in 5,000 communities in the United States, along with additional communities in 19 other countries, gather to take part in this global phenomenon and raise much-needed funds and awareness to save lives from cancer. All Relay for Life events combined raised over \$400 million in 2009. The money raised funds cancer research, legislative advocacy, support for those battling the disease, and cancer prevention through education and awareness.
