**Cantor Colburn LLP Recognized by *Corporate Counsel*  
for Protecting Top U.S. Companies**

Cantor Colburn LLP has been ranked number one for patent prosecution in the United States in *Corporate Counsel's* feature "Who Represents America's Biggest Companies?" The September, 2010 issue identified law firms that protect intellectual property for the country's top companies. *Corporate Counsel* ranked Cantor Colburn in a tie for first place in "Patent Prosecution" and in a tie for fourth place for "IP Litigation and Patent Prosecution." Last year Cantor Colburn was tied for second place in "Patent Prosecution."

"Our clients' intellectual assets are as important to us as they are to them," said Philmore H. Colburn II, Co-Managing Partner of Cantor Colburn. "We appreciate their entrusting us with protecting those assets."

*Corporate Counsel*, a publication of ALM headquartered in New York, NY, identified the law firm names by searching the Patent and Trademark Office website for patent applications filed and patents granted for Fortune 100 companies between January 1, 2009 and December 31, 2009.
