### **Cantor Colburn LLP Announces Hiring of Sujin Park Skilled Patent Attorney Joins Growing Korean Practice Group**

Alexandria, Virginia-- Cantor Colburn LLP, one of the country's leading intellectual property law firms, announced today the hiring of Sujin Park in its Alexandria, Virginia office. Ms. Park is fluent in Korean, as are her colleagues in Cantor Colburn's Korean Practice Group Jaehoon Kim, Jay Jang, Ph.D., Eugene Kwon and David Kim. In addition to these highly skilled professionals, a much larger number of patent attorneys, patent agents and administrative staff are also solely dedicated to supporting the firm's growing Korean clientele. Ms. Park will work in Cantor Colburn's Alexandria, Va. office, just a few short blocks from the United States Patent and Trademark Office (USPTO).

Sujin Park

Ms. Park's practice covers a wide range of computer and electronic technology areas, including telecommunications, TFT-LCD, system LSI circuits, software, and signal processing. Prior to joining the firm, Ms. Park was an Associate at Hershkovitz & Associates, LLC where she represented clients in all aspects of patent preparation and prosecution and engaged in conducting patent due diligence and supporting litigation matters. Prior to that, Ms. Park worked as a Korean patent attorney at 21st Century Patent & Law firm in South Korea, where she handled domestic and international patent prosecution, conducted patent searches, and prepared opinions relating to freedom to operate, invalidity and non-infringement matters. She also interned at Kim & Chang and Yulchon law firms in Korea. She has a B.S. in Computer Science and Engineering from Seoul National University and her J.D. from Handong International Law School in Korea. She is a member of the Tennessee Bar and is recognized to practice before the USPTO.

Cantor Colburn is one of the largest full service intellectual property law firms in the country, with growing offices in Alexandria, Atlanta, Houston, Hartford, and Detroit. In recent rankings, Cantor Colburn is 9th in the country for issued U.S. Patents and 20th for registered U.S. Trademarks. The firm's clients are among the leading companies in the United States and around the world, including Fortune 100 companies, privately held companies, select high-tech start-ups, and universities.
