Legal 500 U.S. 2015 Awards Cantor Colburn LLP as a Leading Firm

[Cantor Colburn LLP](#) has been recommended as a Leading Firm by the Legal 500 United States 2015 in Intellectual Property for patent prosecution: utility and design patents. This will be the firm's sixth consecutive year of being recognized for this highly selective honor.

"The Legal 500 is an independent guide, in its 28th year, and firms and individuals are recommended purely on merit. We highlight the practice area teams who are providing the most cutting edge and innovative advice to corporate counsel. Our research is based on feedback from 250,000 clients worldwide, submissions from law firms and interviews with leading private practice lawyers, and a team of researchers who have unrivalled experience in the legal market."

Seven of the firm's attorneys have been recommended in the Legal 500 United States 2015's editorial. Cantor Colburn's co-managing partners, [Michael A. Cantor](#) and [Philmore H. Colburn](#) were individually recognized, as were Hartford-based partners [Anne Barry](#), [Daniel Gibson](#), [Leah Reimer, Ph.D.](#), [Pamela Curbelo](#), and Washington, D.C.-based partner [Daniel F. Drexler](#).

Below is the [Legal 500 United States review of Cantor Colburn](#):

"Cantor Colburn LLP files a large volume of domestic and foreign patent applications for clients from the US, Europe and South East Asia, for high-tech start-ups and mid-size manufacturing companies as well as Fortune 100 companies. The team will be opening its office in Korea in 2015, supporting its strong existing US-based team. Its industry expertise spans semiconductor, power generation, manufacturing, nanotechnology and medical devices, as well as a growing pharmaceutical practice representing the likes of Hetero, Actavis and Achillion Pharmaceuticals. The group, operating from five offices across the US, is led by name partners Michael Cantor and Philmore Colburn. Leah Reimer and Pamela Curbelo co-head the chemical, material and life sciences practice, and Daniel Drexler and Daniel Gibson are the key contacts for design patents. Anne Barry is a further name to note. New clients include ECCO, Dow Corning, Tencent, ZTE Corporation and Siemens Medical Solutions."
