Top-Ranked IP Firm Cantor Colburn Hires Patent Attorney with Computer Science Expertise for Growing Atlanta Office

Atlanta -- [Cantor Colburn LLP](#) announced that it has hired [Tanmay Dharmadhikari](#) as an Associate in its Atlanta office. Mr. Dharmadhikari is an experienced intellectual property attorney with extensive academic credentials. Prior to beginning his legal career, he was a software developer and programmer.

Tanmay Dharmadhikari

Mr. Dharmadhikari has experience in prosecution and litigation of patents with a primary focus on software and electrical hardware. He has advised clients regarding mobile devices, network devices, data storage devices, navigation devices, display devices, vehicle infotainment spanning the fields of telecommunications, Voice-over-IP, lighting control systems, Internet-based solutions, manufacture of devices, television broadcast, and more. Before he was a lawyer, Mr. Dharmadhikari was a software developer and programmer with hands-on experience with algorithm development, parallel programming, GPUs, and testing. He actively programmed using high-level and low-level languages such as C/C++, C#, x86 and x64 assembly programming. Mr. Dharmadhikari has

a BE in Computer Engineering from the University of Pune, an MS in Computer Science from Purdue, and an MBA and JD from Indiana University.
