## Top-Ranked IP Firm Cantor Colburn Adds Patent Agent in Electrical Engineering to Growing Atlanta Office

Atlanta -- [Cantor Colburn LLP](#) announced that it has hired [Jeremy A. Briggs](#) as a Patent Agent in its Atlanta office. Mr. Briggs is an experienced intellectual property practitioner in his fourth year of practice. Prior to his career preparing and prosecuting U.S. and international patents, he had significant experience in mechanical design in the plastics industry, and in financial services.

Jeremy A. Briggs

Mr. Briggs works closely with clients including Fortune 100 companies, small businesses, and individual inventors to protect their innovative ideas. With particular focus on identifying and developing areas of monetization, clients rely on him for guidance on IP matters having high commercial value.

Mr. Briggs' broad practice includes patent drafting and prosecution in emerging technologies including computer hardware, context-aware computing, cloud computing, autonomous robotics, mobile telecommunications, medical devices, and social media, among others. His mechanical expertise includes plastics manufacturing, pneumatics, sports equipment and medical devices. Mr. Briggs has significant experience performing legal investigations in areas of patentability, infringement, patent validity, and freedom to operate.

Mr. Briggs will graduate from the Georgia State University College of Law this December, with a concentration in intellectual property law. After graduation Mr. Briggs will practice law at Cantor Colburn as an Associate. He holds a B.S. in electrical engineering from the Georgia Institute of Technology.
