Cantor Colburn is the Sixth Largest Patent Firm in the U.S.

Hartford, Conn.— [Cantor Colburn](#) is the sixth largest patent law firm in the U.S for utility patents, according to the blog IP Watchdog which analyzed the number of patents obtained for clients by U.S. law firms in 2016 ("[Top Patent Firms for 2016](#)"). Cantor Colburn has been a staple in the top ten for patent rankings for almost a decade. The list of the top patent firms are ranked based on the total number of U.S. utility patents that issued in 2016 where the patent firms were listed on the front of the utility patents.

Cantor Colburn is one of the largest full-service intellectual property law firms in the country, with more than 115 attorneys and agents providing counsel to clients from offices in Hartford, Washington, D.C., Atlanta, Houston, and Detroit. In addition to a significant patent practice, the firm is also a leader in other IP practices, including litigation, trademark and copyright, transactional and post grant review. With highly specialized knowledge and in-depth understanding of clients' businesses, the firm supports the technological innovations that are driving the world economy. Exceptionally well versed in a wide range of cutting-edge technologies, the firm assists clients in a broad spectrum of industries. For more information, go to www.cantorcolburn.com.
