Cantor Colburn is the Fourth Largest U.S. Design Patent Law Firm in 2016

Hartford, Conn.— [Cantor Colburn](#) is the fourth largest design patent law firm in the U.S. according to the blog Ant-Like Persistence ([“2016 Toteboards Published,” January 19, 2017](#)). Cantor Colburn has a [Design Patents Practice Group](#) whose members specialize in the subject, and has been nationally ranked for design patents for more than a decade.

Cantor Colburn is also the third largest utility patent law firm in the U.S. according to the blog IP Watchdog ([“Top Patent Firms for 2016,” February 15, 2017](#)). The firm has received national recognition for its litigation practice. Cantor Colburn’s seasoned litigation attorneys have brought and defended high stakes patent infringement actions throughout the country and internationally, and have taken numerous matters to trial with proven results. As one of the largest full-service IP law firms in the U.S., Cantor Colburn is also a leader in transactional services, post grant review, and trademark and copyright.

Cantor Colburn’s more than 115 attorneys and agents provide counsel to clients from offices in Hartford, Washington, D.C., Atlanta, Houston and Detroit. With highly specialized knowledge and in-depth understanding of clients' businesses, our attorneys support the technological innovations that are driving the world economy. Exceptionally well versed in a wide range of cutting-edge technologies, the firm assists clients in a broad spectrum of industries, including automotive and aerospace, manufacturing, consumer products, energy, pharmaceuticals, telecommunications, biotechnology, medical devices, financial services, software and hardware, and chemical.
