Cantor Colburn Named One of the Top 100 Law Firms for Minority Attorneys by Law360

[Cantor Colburn LLP](#) has been named one of the Top 100 Law Firms for Minority Attorneys by *Law360*, which surveyed more than 300 law firms at the end of last year. *Law360* based the ranking on the firm's minority representation at the partner and non-partner levels and its total number of attorneys.

"Our clients are diverse and value diversity within our firm, as do we," said Co-Managing Partner Michael Cantor. "We will continue to recruit, retain and invest in diversity at our firm and in the industry."

As a part of its commitment to diversity, the firm established the Cantor Colburn LLP Endowed Scholarship in Engineering at the University of Connecticut in 2003 and has invested in it continually since. The scholarship is for undergraduate engineers and gives priority consideration to female and/or African-American students.
