Cantor Colburn is the #4 Largest US Patent Firm

[Cantor Colburn LLP](#) is the 4th largest patent firm in the United States as ranked by issued patents according to IP Watchdog, a leading intellectual property blog. IP Watchdog compiled the list of about 800 U.S. patent firms based on the total U.S. utility patents that issued in 2017. This ranking places Cantor Colburn in better than the top 1% of all U.S. law firms for productivity.

Cantor Colburn has been a staple in the top ten rankings for utility patents, design patents, and trademarks for years. In 2016, Juristat reviewed law firm growth over the last decade and found that Cantor Colburn was the [fastest growing U.S. patent law firm](#) “by a significant margin.” In addition to being a patent powerhouse, Cantor Colburn assists clients with litigation, trademarks, copyrights, trade secrets, post grant review, including *inter partes* review, and agreements of all kinds.

“Cantor Colburn is able to sustain a high level of productivity and quality work because of the talent, experience, and dedication of many professionals at all levels,” said [Philmore H. Colburn II](#), Co-Managing Partner of Cantor Colburn. “Our clients depend on us to acquire quality patent rights quickly, and we are focused on getting those results.”

“Over the last 25 years at Cantor Colburn, we have focused on three things: high quality work, responsiveness, and value,” said Co-Managing Partner [Michael A. Cantor](#). “It seems as though while much of the world is changing, these things remain constant.”
