

Cantor Colburn is proud to announce that **Kathryn Marra, Susan Zerull, Justin Barry and Scott Lloyd** have joined the firm in its Detroit Office.

Kathryn Marra, Partner, brings more than 20 years of in-house expertise, most recently at General Motors, in all aspects of IP and related transactions. Her practice also focuses on patent prosecution, infringement and clearance analysis, strategic portfolio management, and divestitures and acquisitions. She has supported intellectual property issues globally for numerous advanced technologies throughout her career.

Scott Lloyd, Counsel, concentrates his practice on domestic and international IP protection in the mechanical and electro-mechanical arts and has extensive experience in drafting and negotiating IP transaction agreements. Additionally, he counsels clients by providing novelty, infringement, freedom-to-operate, and invalidity opinions. He started his career in engineering supporting various technology groups at General Motors.

Justin Barry, Associate, focuses his practice on patent prosecution. He works with clients in a variety of industries and technologies, including communication systems, electric vehicles, and control systems. He has drafted numerous patent applications relating to control systems, electric machines, cybersecurity, and infotainment. He also has experience related to cryptographic data structures and control system interfaces.
