Hartford, Connecticut-- Cantor Colburn LLP is ranked #23 in the country among 142 US law firms for US trademark registrations in 2011, according to *Intellectual Property Today* magazine's May 2012 cover story "Top Trademark Firms." We actively manage nearly 12,000 marks, and we look forward to further growth this year and in the years to come."

Cantor Colburn's Trademark & Copyright Department also provides counseling and representation in trade dress, unfair competition law, copyrights, rights of publicity and privacy, trade secrets and proprietary information protection, domain name registrations and disputes, internet and e-commerce law, licensing, distribution agreements, transfer agreements, and due diligence for acquisitions and divestitures.

Cantor Colburn is ranked #8 among US law firms for patents issued in the prior year by *Intellectual Property Today* in March of this year.
